Care is taken to ensure that any statement as to authorship, attribution, origin, date, age, provenance and condition is reliable and accurate but all such statements are statements of opinion and are not to be taken as statements or representations of fact. Sotheby & Co. reserve the right, in forming their opinion, to consult and rely upon any expert or authority reasonably considered by them to be reliable.

The condition of Coins and Medals are described by the use of the following conventional scale:

Proof	= Flan bruni	= Polierte Platte	= Fondo specchoi
Mint state	= Fleur de Coin	= Stempelglanz	= Fior di conio
Extremely fine	= Superbe	= Vorzüglich	= Splendido
Very fine	= Très beau	= Sehr schön	= Bellissimo
Fine	= Beau	= Schön	= Molto bello
Good	= Très bien conservé	= S. g. erhalten	= Bello

Other expressions are self-explanatory and where no condition is stated it may be assumed that the coins and medals are not in good condition.

EXCHANGE CONTROL (GOLD COINS EXEMPTION) ORDER 1966

No coins in this sale are affected by the above order and thus may be bought and held by U.K. Residents.

In sending Commissions this Catalogue may be referred to as "LIGNE"

STANDARD CONDITIONS OF SALE

1 The highest bidder shall be the buyer. If any dispute arises the auctioneer shall have absolute discretion to settle it and to put any disputed lot up again. Sotheby & Co. act as agents only; they have full discretion to refuse any bidding, to divide any lot, to combine any two or more lots and to withdraw any lot or lots from the sale without in any case giving any reason.

2 No person shall advance any price less than 5 shillings, or, above 10 pounds, 10 shillings, and so on in proportion or at such rate as the auctioneer may in his absolute discretion direct.

3 All lots are put up for sale subject (*a*) to any reserve price imposed by the seller or (*b*) to the right of the seller to bid either personally or by any one person (who may be the auctioneer).

4 Immediately the lot is sold buyers shall notify their names and addresses to Sotheby & Co., and, if required, pay down 10 shillings in the pound (or such further amount as Sotheby & Co. in their absolute discretion may determine) in part payment of the purchase money, in default of which the lot or lots purchased may be immediately put up again and resold.

5 All lots are sold as shown, with all faults imperfections and errors of description. Neither Sotheby & Co., nor the vendor(s) are responsible for errors of description or for genuineness or authenticity of any lot, or for any fault or defect in it. No warranty whatever is given by Sotheby & Co. or any vendor to any buyer in respect of any lot.

6 Notwithstanding the preceding Condition, if within twenty-one days of the sale of any lot the buyer gives notice in writing to Sotheby & Co. that the lot sold is a forgery and if within fourteen days after giving such notice the buyer returns the lot in the same condition as it was at the time of the sale to the premises of Sotheby & Co. and there shows that considered in the light of the terms of the Catalogue the lot sold is a forgery Sotheby & Co. are authorised to and will rescind the sale and refund the purchase price received by them.

7 Lots shall be paid for in full and taken away from Sotheby & Co.'s premises at the buyer's risk and expense by the end of the first working day after the conclusion of the sale, in default of which Sotheby & Co. shall not be responsible if the same are lost, stolen, damaged, or destroyed and any lots not taken away shall be at the sole risk of the buyer and subject to a charge for warehousing. No purchase shall be claimed or removed until the sale has been concluded. If at the expiration of seven days after the conclusion of the sale lots are not cleared they may then be sold immediately, either publicly or by private treaty, without any notice being given to the buyer.

8 In the event of any failure of the buyer to comply with any of the above Conditions the damages recoverable from the defaulter shall include any loss arising on any resale of the lot, together with the charges and expenses in respect of both sales, and any money deposited in part-payment shall be held by Sotheby & Co. on account of any liability of the defaulter to them.

PREFACE

The Cabinets at Beloeil develop the numismatic history of the Southern Netherlands from Gaulish times until the present day. This selection, mostly of coins, illustrates development to the 17th century.

Tribal Gaul with its imitations from Greece and Rome is well represented in all metals and Merovingian and Carolingian coinage introduces the hammered series of the main mints of Antwerp, Brussels and Maestricht, with their later Spanish influence. The large series of siege pieces of the Spanish Wars include some rarities in gold. There are in fact very many rarities, including gold strikings of silver pieces and others too numerous to mention here, but reference to the plates will clearly indicate the scope of the coins selected.

As well as the Spanish and Netherlands coins there are small series from associated countries together with some interesting medals in gold and silver.

The most notable coin is the last lot in the Sale, the Philip IV 100 Scudos of 1633, a magnificent piece well centred and clearly struck and of the highest variety.
